

Dear Alicia,

Thank you so much for doing such a great job at Emma's baptism! The food was delicious and the room looked beautiful. We were really happy with everything! Thanks so much for making it so easy for me - I can be very indecisive!! You handled me well! You and your staff were very nice and professional. We loved it all. I will definitely call you again in the future, & refer you to friends! Thanks again - Aric, Irene, Ian & Emma
