

Hi Laurie,

I'm much more relaxed today than I've been for a few weeks now :-)

Just wanted to let you know how pleased Doug and I were with the party on Saturday. Gloria, Tom and Lauren did a wonderful job and made our day very relaxing and enjoyable. We had sooooo many compliments on the food and presentation. Gloria worked miracles with the buffet table and it was absolutely gorgeous. We were totally impressed with the great service all three provided. You will be highly recommended to any friends in the future.

Thanks again for making our day so special.
