Dear Lanni,

Thank you for your very nice note but really it is I who need to thank you. Our wedding shower on May 17th was perfect. Everything was exactly the way I wanted it to be. I very much appreciate your attention to detail. The food was delicious and your staff is extremely competent. They handled everything professionally and efficiently and were so helpful.

As you know, I came in from out of town just before the shower. I am so appreciative of the fact that you handled all of the details for me so I could just be there and not worry about a thing.

It was a wonderful day.

Zongare House was the perfect place and Zongare staff is terrific.

Thank you so much for everything!

Sincerely,
Gail
