Dear Laurie,

Tim and I would like to thank you and your team for making our wedding day beautiful! The kongaree looked so beautiful, it was so much more than I expected! I cried when I first walked in and saw how beautiful it had turned out to be! To this day we are still getting emails of how beautiful it was and how great the food was! Laurie, you made the day so stress free, I never worried once! You gave me and the family personal attention and were there to help in any situation! We were so blown away with you and your helpfulness! You really made me feel like I was your ~~one~~ only bride, even though you were booked with weddings! We would love to work with you and your staff anytime! Keep in mind there's always baby showers in the future! :)

Thank you again so
very much!

Love

Tim and Jenn
