

To all the Gourmet Express "Family"  
Danny, Laurie, Alicia, et al "

"Retirement"

You made my day!

I can hardly express the joy and gratitude  
I have for all of you for the wonderful  
retirement "picnic in the park" at Longacre on  
that picture perfect day. The setup, the food  
and the service were, as always, remarkable,  
and the love and caring you put into it  
seeped through every detail. Thank you for  
being a very special part of my Farmington Hills  
family. You are a part of ME Forever! Thanks
