Dear Laurie-

I am writing to express my extreme gratitude to you and your staff for working with us to provide a memorable retirement reception for our employees on Thursday, June 3.

As you know, in order to save costs to the District, we had to change our whole retirement event with very little lead time. From our first phone call to you, you put our minds at ease. You provided suggestions on how the event could be organized including having a cash bar available and menu choices which would please our guests.

I cannot thank you enough for your help and your insight, as well as the quality and professionalism of your staff. Everyone involved worked to make our event a success. The food received rave reviews and the presentation added the touch of class that we wanted.

We look forward to our next event working with you and your team.

Sincerely,
