Dear Laurie:

Thank you and your staff for doing an excellent job on Governor Engler's reception at Diamond Automation on November 8. We were very pleased with the food and the service. We also wish to thank you for the beautiful holiday tree which was very much appreciated, but totally unnecessary.

You are a pleasure to work with and we look forward to using your services in the future. We had many compliments from the employees in the office and the factory regarding your food and service.

Have a Happy Holiday Season.

Best regards,

Jim Nield  
President
