Hi Laurie,

Thank you for all of your help and the wonderful service. I apologize that we were "having a moment" during setup and I did not really get to speak with you and thank you personally. The clients loved the food – many asked who the caterer was. I gave them your name of course! Please thank the chef also – the gluten free items were wonderful. I had not eaten all day and I appreciated being able to eat!

Again, many thanks!

Laurie,

Everything about the bridal shower for my son's fiancé was perfect! The food was fantastic, along with the beautiful Longacre House setting. We received numerous complements from our guests, and statements that the shower was one of the nicest they had attended. The staff was so accommodating and went out of their way to ensure everyone had what they needed. Missy was wonderful to work with.

I am so glad you suggested the pink sashes with the long tablecloths and the table layout. The room was beautiful. I can't thank you enough for making the shower such a memorable event for our family. We will definitely contact you for our next event!

Sincerely,
Karen

Hi Lori, Barbara and I want to thank you for helping us along during the wedding process. The food and the service was great. Having a professional like you and your staff to make things go along smoothly was excellent. Long Acre House is to be commended as well.

Thanks again,
Jim and Barbara
